In the annals of true crime, few cases have captured the public's imagination like the Jeffrey MacDonald murders. On the night of February 17, 1970, MacDonald's pregnant wife and two young daughters were brutally murdered in their Fort Bragg, North Carolina home. MacDonald, a Special Forces doctor, claimed that he had been attacked by a group of drug-crazed hippies, but his story quickly unraveled under the scrutiny of investigators.

Fatal Vision is the definitive account of the MacDonald case, written by Pulitzer Prize-winning journalist Joe McGinniss. McGinniss spent years interviewing MacDonald, his family, friends, and fellow soldiers, and he

gained unprecedented access to the crime scene and trial documents. The result is a gripping and disturbing portrait of a man who may have committed one of the most heinous crimes in American history.

McGinniss's writing is both incisive and compassionate, and he takes the reader on a journey into the darkest recesses of the human mind. *Fatal Vision* is a must-read for anyone interested in true crime, and it is sure to stay with you long after you finish it.

The Jeffrey MacDonald Murders

On the night of February 17, 1970, Jeffrey MacDonald called the police to report that his wife Colette and two young daughters, Kimberly and Kristen, had been murdered in their Fort Bragg home. MacDonald claimed that he had been attacked by a group of drug-crazed hippies, but his story quickly unraveled under the scrutiny of investigators.

The crime scene was gruesome. Colette MacDonald had been stabbed 21 times, and her two daughters had been bludgeoned to death. MacDonald himself had been injured, but his wounds were relatively minor.

Investigators soon discovered that MacDonald's story was full of holes. He had given conflicting accounts of what had happened, and his alibi was shaky.

MacDonald was arrested and charged with murder. His trial was a media circus, and the jury was deadlocked 11-1 in favor of conviction. MacDonald was retried, and this time he was convicted of murder and sentenced to life in prison.
