

# Franklin New Friend Classic Franklin Stories

Oh my goodness, where do I begin with this awesome book! This book is a compilation of 6 heartwarming stories that go on many different adventures with his friends. He goes on a bike ride with his friends Bear and Fox, goes on a camping trip with all his friends, goes ice skating with Beaver and Rabbit, and many more adventures.

Each story is around 10 pages long, making it the perfect quick bedtime story that won't drag on for too long but will still keep your child entertained and engaged until the end. It's the perfect book to help your child wind down at the end of the day.

The illustrations in this book are beautiful and really bring the stories to life. They're bright and colorful, and full of fun details that will keep your child engaged.

In this book, Franklin befriends a new classmate, Snail, who has a different way of life than Franklin and his friends. They learn to appreciate each

other's differences and become good friends. This is a great book for teaching children about diversity and acceptance.

The stories are all very well-written and engaging. They're perfect for early readers, and they're also a great way to introduce your child to new vocabulary words.

Overall, this is a great book that I would highly recommend to any parent. It's a fun, educational, and heartwarming read that your child will love.
