Early Activism and Union Leadership

Fletcher began his activism as a young man, joining the Amalgamated Society of Engineers, a trade union representing skilled workers. His oratorical talents and deep understanding of workers' rights quickly drew attention, and he soon rose through the ranks. In 1885, he was elected

General Secretary of the Amalgamated Society of Engineers, a position he held for the next two decades.

As General Secretary, Fletcher led the union through a period of significant growth and influence. He played a pivotal role in organizing workers in various industries, including shipbuilding, mining, and textiles. Fletcher's ability to negotiate with employers and mobilize workers for strikes and protests made him a force to be reckoned with.

Champion of Social Justice

Fletcher's influence extended far beyond the union movement. He was a passionate advocate for social justice and campaigned tirelessly for better working conditions, affordable housing, and free education. He believed that all workers deserved a fair wage, a safe working environment, and the opportunity to improve their lives.

Fletcher's commitment to social justice led him to become involved in politics. He served as a member of Parliament for the Labour Party from 1892 to 1906. In Parliament, Fletcher continued to champion workers' rights and advocate for progressive social policies.

Legacy of a Labor Legend

George Fletcher's legacy as a labor leader and social justice advocate is undeniable. His unwavering commitment to improving the lives of working people left a lasting impact on British society and the international labor movement.

Fletcher's legacy lives on in the many organizations and institutions he helped establish. The Workers' Educational Association, founded by

Fletcher in 1903, continues to provide educational opportunities for working-class communities. The National Union of General and Municipal Workers, a major trade union representing workers in various industries, traces its roots to the unions organized by Fletcher.
