Graduation Day is the highly anticipated to The Testing trilogy, a gripping dystopian series that has captivated readers worldwide. Set in a future where society is divided into five factions, the trilogy follows the story of Cia Vale, a young woman who must navigate the treacherous waters of the Testing, a series of exams that will determine her future.

In Graduation Day, Cia and her friends have finally reached the end of their journey. They have survived the Testing and are now on the cusp of adulthood. But their world is still a dangerous place, and the Testing is not over yet. The factions are still at war with each other, and Cia and her friends must find a way to stop them before it's too late.

Graduation Day is a thrilling to a beloved trilogy. It is a story of friendship, love, and the power of human spirit. Cia Vale is a strong and inspiring character, and her journey is one that will stay with readers long after they finish the book.
