Next Generation Safety Leadership: From Compliance to Care explores the latest trends in safety leadership and provides practical guidance on how to create a culture of safety in your organization. This book is essential reading for anyone who wants to improve safety performance and create a more positive and productive work environment.

In this book, you will learn about:

- The four pillars of next-generation safety leadership: compliance, care, competence, and courage
- How to create a culture of safety that is based on trust, respect, and open communication

- How to engage employees in safety and empower them to take ownership of their safety
- How to measure and track safety performance and identify areas for improvement

Next Generation Safety Leadership: From Compliance to Care is a must-read for anyone who is serious about improving safety performance and creating a more positive and productive work environment. This book provides the tools and knowledge you need to create a culture of safety that will last.
