The True Story of a Brilliant Trader Who Cracked the Code of the Most Mysterious Market Crash in History

In 2010, the world was rocked by the most mysterious market crash in history. The Dow Jones Industrial Average plummeted 1,000 points in a matter of minutes, wiping out billions of dollars in wealth. The cause of the crash remained a mystery, and the world's top financial experts were baffled.

But one man knew what had happened. His name was Navinder Sarao, a brilliant trader from London. Sarao had cracked the code of the market crash, and he had made a fortune betting against the market.

Sarao's success did not go unnoticed. The FBI soon began investigating him, and he became the target of a global manhunt. Sarao fled to India, but he was eventually extradited to the United States and sentenced to prison.

Trading Savant is the gripping true story of Navinder Sarao, the brilliant trader who cracked the code of the most mysterious market crash in history. It is a story of greed, ambition, and betrayal. It is a story that will keep you on the edge of your seat from beginning to end.
