College admissions is a complex and competitive process. But it doesn't have to be a mystery. With the right information and guidance, you can help your child navigate the world of college admissions and get into the school of their dreams.

That's where "What Every Smart Kid And Every Smart Parent Should Know About College Admissions" comes in. This comprehensive guidebook is packed with insider tips and expert advice to help you:

- Understand the college admissions process.
- Create a strong college application.

- Get the most out of your child's high school experience.
- Find the right college for your child.
- Negotiate financial aid.

Whether you're a high school student just starting to think about college or a parent who wants to help your child succeed, "What Every Smart Kid And Every Smart Parent Should Know About College Admissions" is the essential resource you need.

## **What's Inside the Book?**

"What Every Smart Kid And Every Smart Parent Should Know About College Admissions" is divided into three parts:

### **1. Part 1: The College Admissions Process**

This part provides an overview of the college admissions process, from choosing a college to applying for financial aid. You'll learn about the different types of colleges and universities, the admissions criteria, and the application timeline.

### **2. Part 2: Creating a Strong College Application**

This part focuses on helping you create a strong college application. You'll learn how to write a compelling personal statement, choose the right extracurricular activities, and get good grades. You'll also find tips on how to prepare for and take the SAT and ACT.

### **3. Part 3: Finding the Right College and Negotiating Financial Aid**

This part helps you find the right college for your child and negotiate financial aid. You'll learn how to research colleges, visit campuses, and compare financial aid offers. You'll also find tips on how to negotiate with colleges and get the best possible deal on tuition and fees.

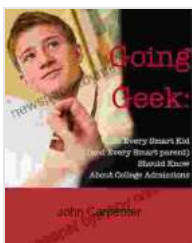

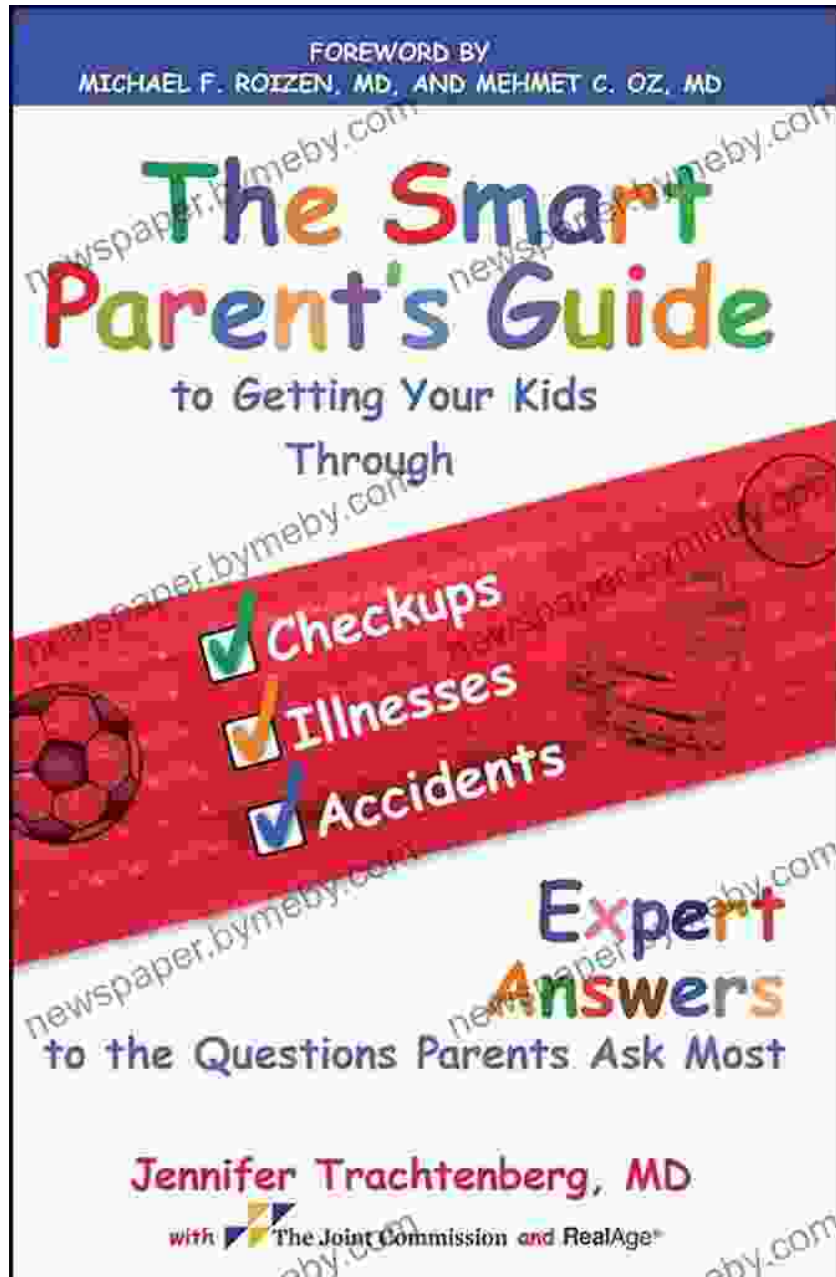

### **What Others Are Saying About "What Every Smart Kid And Every Smart Parent Should Know About College Admissions"**

"This book is a must-read for any high school student or parent who wants to get into the college of their dreams. It's packed with insider tips and expert advice that will help you navigate the college admissions process and get the most out of your child's high school experience." - **Admissions Counselor, Ivy League University**

"This book is a godsend. It's helped me understand the college admissions process and make informed decisions about my child's future. I highly recommend it to any parent who wants to help their child succeed in college." - **Parent of a College-Bound High School Senior**
