Print length : 160 pages

Peters argues that there is no single "presidential type" but that all presidents have shared certain key characteristics, including ambition, drive, and a deep love of country. He also examines the role that luck and circumstance have played in the careers of presidents, and he explores the ways in which the presidency has changed over time.

Where Do Presidents Come From? is a must-read for anyone interested in American politics or history. Peters's lively writing style and insightful

analysis make this book a pleasure to read, and his s are sure to spark debate.
